Annual average price in cents per kilowatt hour (kWh), based on an average monthly usage of 1,000 kWh. Competitive prices as published on [www.powertochoose.org](http://www.powertochoose.org) as of May 10, 2010. Rates illustrated in the charts on this document are the lowest offered fixed rate prices available for each particular retail electric provider represented here and are subject to change. Not all competitive offers or providers are illustrated on this document. For a complete list of all retail electric providers and their available products and prices, visit [www.powertochoose.org](http://www.powertochoose.org) and enter your residential zip code. You can obtain important information that will allow you to compare Stream Energy's products with other offers. Call 866-44-STREAM. Copyright 2010 Stream Gas & Electric.
